Dear Joshua,

many thanks for your kind letter. I am afraid I shall be unable to stop at Nacion because of time limitations. I trust that everything will work out fine with regard to the Congress. Do you realize that Copenhagen - Stockholm is 10-11 hours solid driving? People seldom do it in one day; our roads are not like yours. We shall be very happy indeed if you can stay a few days after the Congress.

I don't think there are any other acute problems at the moment; please let me know if there is anything. I shall be in Stockholm from 22- July 2; London July 3-13 (Strand Palace Hotel, London WC2) and Stockholm again ~~July~~ after July 13. If you come by car, please phone me as soon as you can so that we can come and meet you. Our phones: 339877 (lab. direct), 235480 ext. 144 (lab through switchboard), 8237 280 (home in town), 0171/50002 (summer home; but we shall probably have moved to town by then).

Looking forward to welcome you in ^{BIR *} MAIL Stockholm and with affectionate greetings, also to Toronto. Please
